Mobile: +40.722.355.341

What: Alumni Strategical Challenge Workshop:

Exploring "What's in it for me?"

with LEGO® SERIOUS PLAY®

Guest speaker

Mihaela DANCIU

Who should participate:

Students & graduates interested in beyond the learning, how to use the innovation's approach to leverage the network worth in a serious yet playful way.

One should participate to:

- Share the expectations and learn how alumni network could be a ROI contributor;
- Understand how one could contribute to increase the alumni network worth;
- Find practical strategies to get a better answer to the question: "what's in it for me?"

About the Trainers

Mihaela Danciu is an innovative entrepreneur, a passionate consultant and coach involved in organizational development projects. She designs and facilitates experiential learning interventions, to build organizational agility and support teams create collaborative relationships. As a certified LEGO® SERIOUS PLAY® facilitator, she hosts hard-working workshops while having fun - all the way through.
