About the Trainer

George is a Senior Associate at Musat & Asociatii SCA and a member of the Romanian Bar Association.

He has experience in banking and finance transactions, as well as in capital markets and aircraft finance. Other domains of activity include telecommunication, data protection, consumer financing aspects, as well as general corporate.

Before joining Musat & Asociatii, he was advisor in the banking regulatory and compliance department of one of the most important audit, tax and advisory company in Romania with a worldwide presence.

George graduated from the Law School of the Bucharest University and he holds a master degree in business law at the above mentioned university and from Université Paris Panthéon-Sorbonne, Collège juridique franco-roumain d'études européennes.

George has a huge experience in Data Protection field:

- DORDA BRUGGER JORDIS Rechtsanwälte GmbH – assisting in relation to the applicable Romanian legal provisions concerning the protection of personal data in the banking sector; legislative changes which may impact on client's activity in Romania. All the above have been set out in a report to be delivered quarterly.
- DANFOS ROMANIA – Preparing and implanting the entire mechanism for personal data transferring to a data centre located in a non-EU country.
- AON ROMANIA – Preparing and implanting the entire mechanism for personal data transferring to a data centre located in a non-EU country.
- DANFOSS DISTRICT HEATING – Preparation and implementation of the entire data protection structure as per the Romanian legal provisions applicable in this respect. • BRCI – Preparation of the internal policies for credit institutions
- EGGER ROMANIA – assisting in relation with data protection issues to be addressed to Egger employees.
- URSUS BREWERIES – Assistance in relation with data protection issues
